(b) The rules of each association shall provide as follows: No rule, stated policy, practice, or interpretation of this association shall permit the authorization for quotation and/or transaction reporting through an automated inter-dealer quotation system ("authorization"), or the continuance of authorization, of any common stock or other equity security of a domestic issuer, if the issuer of such security issues any class of security, or takes other corporate action, with the effect of nullifying, restricting, or disparately reducing the per share voting rights of holders of an outstanding class or classes of common stock of such issuer registered pursuant to section 12 of the Act.

(c) For the purposes of paragraphs (a) and (b) of this section, the following shall be presumed to have the effect of nullifying, restricting, or disparately reducing the per share voting rights of an outstanding class or classes of common stock:

(1) Corporate action to impose any restriction on the voting power of shares of the common stock of the

issuer held by a beneficial or record holder based on the number of shares held by such beneficial or record holder;

(2) Corporate action to impose any restriction on the voting power of shares of the common stock of the issuer held by a beneficial or record holder based on the length of time such shares have been held by such beneficial or record holder;

(6) The term *exchange* shall mean a national securities exchange, registered as such with the Securities and Exchange Commission pursuant to section 6 of the Act, which makes transaction reports available pursuant to Rule 11Aa3-1 under the Act (17 CFR 240.11Aa3-1); and

(b) For purposes of paragraph (a)(2) of this Rule, if any options class is delisted from an options exchange as a

result of a merger of the equity security underlying the option or a failure of the underlying security to satisfy that exchange's options listing standards, then the exchange is permitted to select a replacement option from among those standardized options overlying exchange-listed stocks that were listed on another options exchange before January 22, 1990.
